The meeting focused on improving cancer care quality through clinical pathways.
Whether you are reviewing to expand your knowledge or evaluating pathways for use, this conference presents evidence on the issues of clinical pathways that are applicable to any specialty. The conference covers practical information on evaluation of pathways, implementation, and analytics for all stakeholders in the healthcare team in a welcoming and open meeting where the experts are also those you can follow up with when you have ongoing questions.

— 2018 ATTENDEE
3 days of comprehensive conversations on the evolution of oncology pathways, and the challenges that lie ahead in the execution and integration with new technology systems and treatment options.

This forum is for you if you are ...

› Interested in learning about the effectiveness of oncology pathways
› Planning to implement a pathway program within your institution
› Challenged with systems and technology integration
› Struggling to extract meaningful data from your current program
› Curious to learn from experts with experience overcoming obstacles

Network with the Experts

› Case-Based Activities
› Roundtable Discussions
› Networking Receptions
Steering Committee

Meet the Innovators Impacting the Field of Oncology Pathways

Chair, ASCO Pathways Task Force
President, Michiana Hematology-Oncology, PC
Mishawaka, Indiana

Alan Balch, PhD
Chief Executive Officer
Patient Advocate Foundation
Hampton, Virginia

Wui-Jin Koh, MD
Senior Vice President, Chief Medical Officer
National Comprehensive Cancer Network
Fort Washington, Pennsylvania

Frederick M. Schnell, MD, FACP
Chief Medical Officer
Community Oncology Alliance
Washington, District of Columbia

Stephen B. Edge, MD, FACS, FASCO
Vice President, Healthcare Outcomes and Policy
Professor, Oncology
Roswell Park Comprehensive Cancer Center
Professor of Surgery
University at Buffalo
Buffalo, New York

Mahek A. Shah, MD
Senior Researcher and Project Director
Harvard Business School
Boston, Massachusetts
Conference Highlights

The Role of Technology in Oncology Clinical Pathways

Integrating Pathways and Guidelines into EHRs: Improving Outcomes and Value While Reducing Physician Burden

Clinical Pathways Beyond Treatment Decision Support

AACR Project GENIE: A Worldwide Perspective on Precision Oncology

Town Hall With Congress Committee

“ At my institution, we are not yet utilizing clinical pathways, but after attending the 2018 Clinical Pathways Congress, I feel ready to evaluate the choices and anticipate a variety of potential problems that may arise from different options.”
